

SERVICE BULLETIN

WORLDLAWN POWER EQUIPMENT, INC.
2415 Ashland Ave
Beatrice, NE 68310
(402) 228-4255

Bulletin Number: SB1401
Date: 1/28/14

Product Affected: WYS52FX730V stand on mowers with serial numbers 201304U00192 through 201401U00707

Situation: We identified in assembly the potential for the battery hold down to contact across the terminals of the battery during installation. The battery hold down plate has been changed for better fit and to maintain clearance with the terminals.

Required Action: Replace the existing battery hold down plate on all affected units.

Parts Required: One 452143 battery hold down kit for each unit requiring the update.

Warranty: Warranty will cover the cost of the kit and .5hrs labor.

Notes: Any units in our inventory will be updated prior to shipment to our distributors after the date noted on this bulletin.
