SIDEWINDER

Cut those big jobs down to size with the Sidewinder tow-behind. Pull it with an ATV/UTV or use the adjustable tongue angle to cover twice the area behind your existing mower. With a floating deck and a pivoting tongue, you will get a smooth cut over nearly any terrain.

FEATURES

- Convenient single point hand-crank allows more precise cut height
- Adjustable tongue angle means you can offset the mower to the left or right
- 3-year commercial warranty
- Pivoting tongue to handle all types of terrain
- Rear discharge on 72" and side discharge on 60"
- B&S Commercial Turf Engine
